

THE LATIN CHAIN

13 Weeks Lima to Rio de Janeiro or Reverse

Peru - Bolivia - Argentina - Chile - Brazil

This expedition departing Lima is a combination of some of our best tours that head to Carnival central, Rio de Janeiro. Along the way we explore some amazing sites of which key highlights include; the Inca Trail, the legendary lost city of Machu Picchu, La Paz (the highest capital city in the world), colonial Potosi (once the richest city in the world) and the Salt Flats of Uyuni. Further south we pass through vast canyons, visit the Valley of the Moon and sample the best wines of Mendoza. We criss-cross the Andes and then venture into the Argentinian Lakes District, cruise the Chilean Fiords and visit Torres del Paine National Park. This incredible adventure continues all the way through Patagonia into Brazil stopping at Iguazu Falls. Our final destination is the biggest party on the planet - Rio Carnival - where you can succumb to the colourful atmosphere at the world famous Sambodrome. A five day Latin fiesta is truly a fitting way to end this amazing Overland experience.
