6 Weeks Lima to Santiago or Reverse

Peru - Bolivia - Argentina - Chile

Walk the Inca Trail, stay with a local family on Lake Titicaca and discover the Andes and interior. This tour gives you the perfect mix of what South America has to offer. We explore the ancient mysteries of the Nazca Lines before starting our climb into the Andes. We stop to watch the condors soar on the thermals of Colca Canyon, then we make our way to Cuzco and our trek to Machu Picchu. Crossing into Bolivia and leaving La Paz behind us, we visit the colonial town of Potosi as we cross the Altiplano to Salar de Uyuni. Heading south into Argentina, we stop at Humahuaca Canyon, Salta and the Valley of the Moon before taking a few days to relax and enjoy the many options that Mendoza has on offer. We cross the Andes into Chile and finish our trip in Santiago.
