

MOROCCO ADVENTURE

15 Days Tangiers to Tangiers

Morocco

Sea, sand and mountains are just some of the highlights in this tour. Taking in the incredible views from the Middle Atlas Mountains, we make our way to Fez, where a guided tour of the Medina will leave you and your sense of direction totally confused! Into the desert where an afternoon camel trek, followed by a night under the Saharan stars in a traditional Berber camp, will be a desert experience not to be forgotten. Onto Todra Gorge next where the gorge walls soar over 300 metres skyward. The red cliffs and brilliant blue sky form an awe-inspiring scene. You now have time to explore and shop in the city of Marrakech. Onto Essaouira, a charming old fishing village that sits on the Atlantic coastline; it has a beautiful beach and is a great place to get out onto the water for some adventure. Heading along the rugged coastline, we travel through Casablanca to Asilah, which is our final stop before arriving in Tangiers. Here, the tour ends.
