

# NORTH ISLAND FOCUS

## 11 Days Auckland to Wellington

This tour focuses solely on the North Island. We leave the 'City of Sails' - Auckland - and head towards Northland and the Bay of Islands. With over 150 islands, there are a multitude of water based activities to help you enjoy this region. We then drive south down the East Coast of Northland to the beach township of Leigh and the marine reserve of Goat Island. From here we pass back through Auckland and staying on the East Coast arrive in the Coromandel Peninsula. Rotorua is the geothermal centre of New Zealand, and you will have the opportunity to wander around this steamy, bubbling area. Next on our journey of the North Island is the sunny climes of the Hawkes Bay. Here, the twin cities of Napier and Hastings are ready to be explored. On now to our final destination, New Zealand's culturally driven capital Wellington, where this tour comes to an end. Make sure you give yourself plenty of time at the end of your tour to enjoy this stunning and vibrant city.
